

I Love The Zoo! I Hate The Zoo!

- A My class is going to the zoo tomorrow!
- B I hate the zoo.
- A I love the zoo.
- B Not me. I feel sorry for the animals. Locked up in a cage all day, every day.
- A I know what you mean.
- B It always makes me sad just thinking about them like that.
- A I understand. We were talking about that in class. Our teacher did a whole lesson on the zoo.
- B That's kinda cool. What did you learn?
- A A lot. Believe it or not, we learned that animals in the zoo live longer than they do in the wild.
- B Really?
- A Yeah. I was surprised.
- B I'm surprised too.
- A Yeah, because they don't have other animals fighting with them and trying to eat them all the time.
- B That kinda makes sense.
- A They have animal doctors to take care of them if they get sick too.
- B Veterinarians. I knew that part.
- A So? Do you still hate the zoo?

- B I don't know. I guess I have to think about it a little more.
- A Thinking is always good.
- B Yeah. A lot of people don't think enough.
- A I think you're right.
- B I think *you're* right!
