

## 43. Party Girls

**Topic:** Friends discuss whether to go to the “cool” party or not.

**Cast:**

KELSEY: enjoys fun, open to ideas

QUINCHE: the ultimate party girl, loves to fit in

MEGAN: more down-to-earth, less excited by the party life

- 1       *(Scene opens with KELSEY and QUINCHE Center Stage as*
- 2       *MEGAN joins them.)*
- 3   MEGAN: Hi, guys. What’s up?
- 4   KELSEY: *(A little sad)* Hi, Megan. We’re a little depressed.
- 5   MEGAN: Aw. Why?
- 6   QUINCHE: My mom won’t let me go to Sierra’s party.
- 7   MEGAN: Well, maybe that’s not such a bad thing. I wasn’t
- 8       going to go.
- 9   KELSEY: *(Surprised)* You’re kidding! Why wouldn’t you go?
- 10  MEGAN: I really didn’t want to.
- 11  QUINCHE: You mean you weren’t invited.
- 12  MEGAN: Oh, I was invited. But I’m not going.
- 13  QUINCHE: Why not? You must be nuts. Everybody who’s
- 14       *anybody* is going to be there ... except for me.
- 15  KELSEY: *(Sadly)* Well, if you don’t go, I don’t have a ride, so
- 16       I guess I’m not going either.
- 17  MEGAN: I don’t think you’ll be missing much. Don’t worry
- 18       about it.
- 19  KELSEY: Why?
- 20  MEGAN: Well, I heard her parties are pretty ... *(Hesitatingly)*
- 21       wild.
- 22  QUINCHE: I know! They’re all anyone talks about! I soooo
- 23       wanted to go.
- 24  KELSEY: Really!
- 25  MEGAN: And her parents don’t even stay home.

- 1   KELSEY: Exactly! Unchaperoned good times!
- 2   MEGAN: I don’t think the *times* are all that fun.
- 3   KELSEY: *(Anxious for the gossip)* What have you heard?
- 4   MEGAN: Last spring someone had to call the police for one
- 5       of Sierra’s parties.
- 6   QUINCHE: *(Excited by the prospect)* Awesome! That would be
- 7       so fun!
- 8   MEGAN: It’s fun to be at a party that’s so wild you have to
- 9       call in the police?
- 10  KELSEY: *(Rethinking)* Well ... maybe not so much fun.
- 11  QUINCHE: *(Whining)* I wanna goooo!
- 12  MEGAN: *(Suddenly inspired)* I’ve got a really good idea! What
- 13       if I ask my mom if you guys can come over to my house
- 14       and spend the night? We can rent a movie and eat junk
- 15       food all night!
- 16  KELSEY: That sounds really fun. Can you lock your little
- 17       brother up before we get there?
- 18  MEGAN: You’ve got a deal!
- 19  QUINCHE: I guess that would be better than staying home.
- 20       My mom *loves* your mom, so I’m sure she’ll let me come
- 21       to your house.
- 22  KELSEY: *(Conceding this is a better idea)* Well, I heard a lot of
- 23       kids were kinda sick of Sierra’s parties and weren’t
- 24       going to go.
- 25  MEGAN: Perfect! Kelsey, you bring the soda!
- 26  QUINCHE: I’m bringing double chocolate chip ice cream!
