

Homecoming

EXT. OUTSIDE OF SCHOOL

LISA IS WAITING FOR HER MOM TO PICK HER UP. EVAN RUNS IN.

Hey Lisa. EVAN

Hey. LISA

So what do you think? EVAN

About what? LISA

You don't know? Oh, I thought someone would have told you by now. EVAN

Sorry, I haven't heard anything. LISA

I can't believe this! I had it all worked out. I told Ellie first. You know cause she rides to school with Katherine. And then Katherine and Taila have P.E. together. So I had that all covered. And then Taila and Lynn's lockers are right next to each other. And we just got out of fifth period when you and Lynn have Math so...I thought you'd know by now. EVAN

Sorry. Oh wait. Lynn gave me this note before I left class but I haven't read it yet. LISA

(Walking away) Uh-oh, gotta go! EVAN

(Grabbing his arm) Not so fast. (Reading) "Dear Lisa. I just heard from Taila who heard from Katherine who heard from Ellie who heard from Evan that he was going to ask you to homecoming. What are you going to say? Lynn." (To Evan) Is this true? LISA

It's true. EVAN

Wow. You went to a lot of trouble. LISA

You don't even know. EVAN

A BEAT.

So? EVAN (cont'd)

So what? LISA

So...will you go to the homecoming with me? EVAN

I don't know, I have to think about it. LISA

A BEAT.

Okay...I've decided. LISA (cont'd)

Well? EVAN

I'm not going to just tell you. I'll tell Lynn. And she'll tell Taila, who'll tell Katherine, who'll tell Ellie, who'll tell you. LISA

Oh man. What have I done? EVAN
