INT. NORA JANE'S BEDROOM

Nora Jane is lying on the bed crying when Suzanne enters.

SUZANNE  
Nora Jane?

Nora Jane looks up and runs to Suzanne who holds her.

SUZANNE (cont'd)  
(Trying to comfort her) It's okay. It's okay.

NORA JANE  
My parents are getting a divorce.

SUZANNE  
I know. Your mom called my mom. That's why I came over. I thought you could use someone to talk to.

NORA JANE  
(Sitting down on her bed) I can't believe it. They never fight or...

SUZANNE  
Well, not in front of you.

NORA JANE  
They just walked in here and told me. I thought they were kidding at first.

SUZANNE  
That would be some joke.

NORA JANE  
They told me I could live with either one of them.

SUZANNE  
Really?

NORA JANE  
Yeah.

SUZANNE  
What are you going to do?

NORA JANE  
I don't know. I don't know.
