

# Trek

Cast: Jordan, Jim

Setting: In front of a TV

1 **JORDAN:** *(Playing a video game)* Yes!!  
 2 **JIM:** Jordan, are you still playing with that stupid game?  
 3 **JORDAN:** Yes, Jim. *(To the game)* Phasers on full. *Fire!!*  
 4 **JIM:** Listen to me. You spend entirely too much time  
 5 playing with those dumb games. You need a life, and  
 6 you need one today.  
 7 **JORDAN:** Jim, you're the captain. You have to decide the  
 8 right course.  
 9 **JIM:** I am not a captain. I'm your brother. Put away that  
 10 darn Star Trek game and let's go out and find a woman.  
 11 **JORDAN:** Ah, Jim, you always were the one with the ladies,  
 12 weren't you?  
 13 **JIM:** Let's go. Do you want to spend your entire life in front  
 14 of a TV set playing video games?  
 15 **JORDAN:** I am willing to go where no man has gone before.  
 16 I accept your mission.  
 17 **JIM:** Does that mean you want to come with us?  
 18 **JORDAN:** Will the Klingons be there? I've never trusted the  
 19 Klingons, you know.  
 20 **JIM:** Idiot. No Klingons, but Matt and the gang. And let's  
 21 leave the funny Trek stuff at home, OK?  
 22 **JORDAN:** Funny stuff? Jim, I'm a doctor, not a comedian.  
 23 **JIM:** You're a fifteen-year-old fanatic.  
 24 **JORDAN:** Can thirty-five thousand Trekkies be wrong?  
 25 **JIM:** Trekkie is one thing. Obsession is another. Now, knock  
 26 it off and let's go.  
 27 **JORDAN:** OK, fine. Beam us up, Scotty.  
 28 **JIM:** *(Grabbing him)* There is no Scotty. There is no beaming.  
 29 Jordan, I am getting really worried about you.

1 **JORDAN:** Worried? That is illogical. I am fine.  
 2 **JIM:** All you do is talk about Star Trek. I keep waiting for  
 3 your ears to suddenly turn into points.  
 4 **JORDAN:** Also illogical. Humanoids do not have pointy  
 5 ears. Only Vulcans.  
 6 **JIM:** That's it. I'm getting in the car and leaving your  
 7 warped little mind at home.  
 8 **JORDAN:** Engage at warp five.  
 9 **JIM:** Engage this, Jordan. I'm talking to Mom about this,  
 10 and telling her that I think all this video stuff has got to  
 11 go. It's getting to be too much.  
 12 **JORDAN:** Each man has his own trial by fire he must  
 13 survive. I wish you well in your efforts.  
 14 **JIM:** Snap out of it, kid. Come back to Earth.  
 15 **JORDAN:** Jim. I'm just having fun. Have you forgotten what  
 16 it's like to be a kid and have fun? Loosen up.  
 17 **JIM:** Turn it off, Jordy, and let's go.  
 18 **JORDAN:** You sure you want me with you?  
 19 **JIM:** You're my brother. And I promise that together, we  
 20 shall live long and prosper.  
 21 **JORDAN:** Then let's make it so. *(Looking up at him)* You're  
 22 OK, you know? You're OK. *(They exit.)*
