

"Bugs"

CODY and KATIE are lying on the picnic table looking at bugs.

CODY

Hey look at this one.

KATIE

What is it?

CODY

I think it's a June bug.

KATIE

Aren't June bugs brown? This is black.

CODY

Well, it's not a beetle and it's not a roly-polly. I know what those look like.

KATIE

Don't squish it! It might be a daddy bug going home to his wife and kids.

CODY

I'm not going to squish it. I'm just looking at it. Off you go, little bug.

"Bugs" (2)

He puts it into the grass.

KATIE

He's probably going to go home and say "Whew! You wouldn't believe what happened to me today! I was almost flattened by a monster!"

CODY

*(bug voice)*

"But it wasn't a monster, it was 'Bug Hero Man!'"

KATIE

"And his super-powered friend, 'Super Insect Girl!' Wait, that doesn't sound so good. 'Bug Hero Woman!'"

CODY

C'mon, Hero Woman; let's see if we can find some more.

KATIE

Here's a roly-polly. Don't be afraid little buggie, I won't hurt you.

They both gently touch the bug in her hand.
